In order to comply with new regulations concerning the access to public buildings, Dalsouple®, in partnership with Argos, the accessibility division of the French Federation for the Blind (FAF), proposes floor coverings with textures specially designed to facilitate the access of handicapped persons in public buildings.

3 ranges are available: Praxis, Agora et Cognito

Tread alert Praxis

These tiles alert the visually impaired to approaching hazards. The staggered relief pattern indicates that one must stop.

tile dimensions

- 800 × 420 mm in rounded angles
- 825 × 415 mm in right angles
- 450 × 415 mm in right angles

Dimensions may be modified based on regulations

thickness on texture

- 2 mm (7 mm at deepest point of relief)

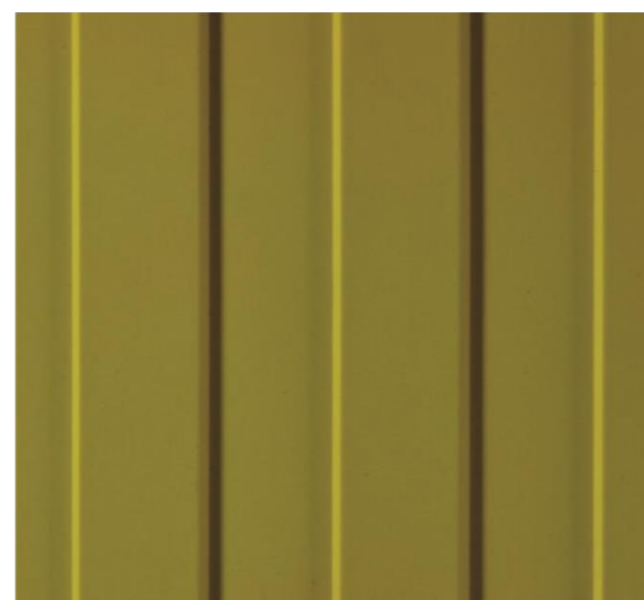

Colors

4 standard colors: black, dark grey, light grey and white
Other color among our 80 standard colors or your custom color (to be chosen, for example, among one of the international standards RAL, Pantone®, NCS, Chevallier, etc.)

Indoor or outdoor use

Guide lines Cognito

Cognito tactile warning treads provide a clear navigational aid to visually-impaired or blind individuals, while guiding them along the safest route towards their destination. They offer a tactile contrast when swept over with a cane. They also serve as a visual reference for sighted individuals.

tile dimensions

- 1 000 × 175 mm (3 ribs)
- 1 000 × 235 mm (4 ribs)

dimensions may be modified based on regulations

thickness on texture

- 5 mm

Colors

4 standard colors: black, dark grey, light grey and white
Other color among our 80 standard colors or your custom color (to be chosen, for example, among one of the international standards RAL, Pantone®, NCS, Chevallier, etc.)

Indoor or outdoor use

Tread alert Agora

These tiles alert the visually impaired to approaching hazards. The ribbed profile signals the approach of steps and stairways

tile dimensions

- 530 × 500 mm
- dimensions may be modified based on regulations

thickness on texture

- 7.5 mm

colors

80 standard colors or your custom color (to be chosen, for example, among one of the international standards RAL, Pantone®, NCS, Chevallier, etc.)
